(i) Area of Operation under Co-ops: As we know every cooperative has a jurisdiction in terms of state/district/block and villages/urban localities as its area of operation. This report is presenting percentage coverage of field locations under area of operation of PACS or Dairy etc. and Gram Panchayat or villages where no cooperative is operational as on date. The coverage can be better understood from GIS map links provided under map sub menu.

On click of this submenu page will appear which have two sections.

a. In first section user can filter the data Sector wise, State wise, District wise and Block Wise. While chart indicates covered and not covered gram panchayats, one can also get the names of GPs and Villages where cooperatives are operating by selecting state, district, block of your choice.

Overall coverage in India under PACS (Area of Operation) Pic:

Clicking on any State will give the District wise coverage under PACS of that state which could be viewd in map and tabular format (in tabular format data could be viewd on click on the count in left section)

Same way block wise data of any district could be viewed in Map or tabular format
